

Summary of current play from information provided by the Isleham Parish Council

This Summary of Play report has been produced by East Cambridgeshire District Council following the 2012-13 Play Audit on behalf of parish councils to help guide their planning and funding for new or upgrading play facilities.

The report includes details of current provision and any issues highlighted by the Isleham Parish Council when completing the consultation. The findings are based on information provided by the parish council during 2012-13 and have been compared to the local planning standards which provide a benchmark on provision that should be available according to population size.

The findings indicate where there may be deficits and will be useful for parishes that are considering any improvements or enhancing play provision to address deficits or growth.

East Cambs Planning Standards for Play Areas and Informal Open Space

Local provision standards set by the East Cambs Sports Facilities & Play Areas Assessment 2005 and the East Cambridgeshire Informal Open Space Study 2005 were used to measure against existing provision in order to determine whether or not there is a surplus or deficit of provision.

Category of Space	Space per person (m2)	Standard size of area (ha)
Informal Open Space	25 square metres (2.5 ha)	
Toddler Outdoor Play Space (2 to 5 years old)	0.2 square metres (0.02 ha)	0.01 ha
Junior Outdoor Play Space (6 to 12 years old)	0.8 square metres (0.08 ha)	0.04 ha

Analysis of existing provision in Isleham

There are currently no play areas and one area of informal open space in Isleham. The play area was dismantled in May 2013.

Deficits and surpluses of provision

The audit identifies significant shortfalls in play provision for toddlers, juniors and youths, with the largest deficits being found in toddler and junior provision. There is also a shortfall in informal open space (5.88 hectares required).

As there is no play facility in Isleham, the entire village falls outside of the radial travel zone for all play categories.

Some aspects of the audit could not be commented on, such as future development and consultation with residents, as the consultation was not fully completed by the parish council, whilst other aspects of the audit did not apply to Isleham due to the parish having no existing play provision.
