## **CURRENT CONSULTATIONS**

The County Council is consulting with the public across Cambridgeshire as it is expected to make further savings in the coming years, on top of those already made. The Council is seeking public opinion on where they should spend their budget over the coming year - and in what areas the savings should be made.

The results will be used to guide decisions for budget allocation over the coming year. Residents are being put in the budget-setting driving seat by Cambridgeshire County Council through the 'You Choose' county-wide survey asking residents to put themselves in the seat of councillors in making decisions where to invest and save money.

Your views are vital as the County Council is expected to make savings in the region of £39 million next year. These savings have to be made whilst supporting and investing in services such as adult social care, protecting children, boosting the economy and looking after roads and transport.

Get involved and fill out the survey here: <https://youchoose.yougov.com/Cambridgeshire>

- **Consultation on Proposed Major Modifications to the submitted East Cambs Local Plan**

The District Council is preparing a new Local Plan for the district, which will set a framework for growth over the next 17 years or so. The District Council submitted its draft Plan to Government in August this year, for an independent Inspector to consider. The Inspector has now requested that further consultation is carried out on housing targets, before Examination hearings are held in early 2014. Therefore a number of 'Proposed Major Modifications' are now being published. Consultation will run from **4<sup>th</sup> October to 15<sup>th</sup> November 2013**. The documents and further information can be viewed on the LDF Examination pages on the Council's website at <http://www.eastcambs.gov.uk/local-development-framework/local-plan-examination>. Alternatively, please contact the Forward Planning team on 01353 665555 or email [ldf@eastcambs.gov.uk](mailto:ldf@eastcambs.gov.uk).

### **Consultation on draft Supplementary Planning Document on Community-Led Development**

The District Council is keen to support 'community-led development', e.g. development which is led by local community groups, as a way of delivering affordable housing and other important local facilities. This could be through a Community Land Trust, or through other organisations and groupings. The District Council has produced a draft Supplementary Planning Document (SPD) on Community-Led Development<sup>[1]</sup>, which provides information for groups and organisations who are bringing schemes forward. The draft SPD sets out information on the role and format of community-led development, and how to deliver a successful scheme.

The draft SPD is being published for consultation purposes, between **4<sup>th</sup> October and 1<sup>st</sup> November 2013**. The documents and further information can be viewed on the LDF pages on the Council's website at <http://www.eastcambs.gov.uk/local-development-framework/supplementary-planning-documents>.
