	building site (mud) (Fordham)	<p>potential danger is an offence under the Highways Act and the Road Traffic Act.</p> <p>The Police are the enforcing authority and the County Council, as the Local Highway Authority, is confident that the Police will respond to such issues raised and take appropriate action, dependant upon the resources they have available and the priority that they able to devote to addressing such issues.</p> <p>It is understood that the Police do try to approach the culprits to prompt a clear up but this cannot always be achieved.</p> <p>The County Council is loathed to send out sweepers to clear mud deposited by agricultural contractors, as this gives the message that they can continue with inappropriate practices in the knowledge that there will be a clear up funded from the public purse.</p>
